We have had casual Friday's, lunch runs with "tips" going to the charity, a silent auction, and a soup benefit. Some of the beneficiaries include the Relay for Life, Lawrence Humane Society, Susan G. Komen for the Cure, and our own former staff member, Heidi Karn, who underwent a lung transplant this past year. November 2007 - current.

- On May 22, the OSFA held GREEN DAY! The purpose of the day was to raise staff awareness about sustainability and the ways an office can be more environmentally friendly. Staff were offered suggestions for resource conservation throughout the day and a vegetarian luncheon was held. The OSFA has now convened a Green Team that will continue to look at sustainability issues. They are planning a GREEN MONTH for October where continued green initiatives for the office will be rolled out. The Green Team is led by Sara Vancil and includes Jeremy Early, Clinton Everhart, Jenny Hagen-Gay, Jamie Harwood, Hayes Holland, and Brenda Maigaard. May 2008 - current.
